

## README.TXT

### Page Descriptions:

#### 1. index.html - Home Page

- Description: The home page of the Exploring Drones website.
- Purpose: Introduce visitors to the website, provide a brief overview of what the website is about, and offer navigation links to other sections.

#### 2. education.html - Education and Information Page

- Description: The page provides information about the educational aspects of drones, regulations, and programs for educational institutions.
- Purpose: Educate visitors about using drones in education, explain regulations, and provide resources for educational purposes.

#### 3. community.html - Community and Reviews Page

- Description: This page focuses on the drone community, including forums and groups, and features reviews of drone-related products.
- Purpose: Connect drone enthusiasts to online communities, provide links to drone forums, and offer product reviews for those interested in purchasing drones.

#### 4. contact.html - Contact Us Page

- Description: The contact page offers contact information for visitors who have questions or need assistance.
- Purpose: Allow visitors to get in touch with the website administrators through email, phone, or address. May include a contact form for inquiries.

## 5. news.html - Latest News Page

- Description: This page provides news and updates related to the drone industry, innovations, and trends.

- Purpose: Keep visitors informed about the latest developments in the world of drones and encourage them to read more news articles.
